

Kendy Tzu-yun Teng, Assistant Professor

Research Interests: One Health/One Welfare, Small animal epidemiology, Veterinary epidemiology, Animal welfare quantification

Courses Taught: Veterinary public health, Animal welfare science, Animal infectious disease, Veterinary volunteer clinic for companion animals, Clinical Conference, Fundamentals in veterinary basic science

Lab Website: <https://kendyteng.github.io/>

E-mail: kendyteng@dragon.nchu.edu.tw

Lab phone number: 04-22840368 #18

Educational and Professional Background

2020-2022 Department of Veterinary Medicine, National Taiwan University Postdoc researcher
2018-2020 VISAVET, Complutense University, Spain Postdoc researcher
2014-2018 Sydney School of Veterinary Science, the University of Sydney, Australia PhD
2006-2012 Department of Veterinary Medicine, National Taiwan University DVM

Research and Teaching Project

Principal investigator Optimise Strategies of Free-roaming Dog Population Reduction in Taiwan
Ministry of Agriculture, NT2,500,000 01/01/2024–31/12/2024

Co-investigator Comparative pharmacokinetic studies to reduce representative species of Perciformes
Ministry of Agriculture, NT1,520,000 01/01/2024–31/12/2024

Co-investigator K-BAD, Estimating the Kanine Burden of Animal Disease in the UK.
Dogs Trust Canine Welfare Grants, the United Kingdom
NT\$3,976,546, 01/01/2024–31/07/2026

Principal investigator Optimising the Management of Animal Population and Welfare in Public Animal Shelters (OMAPWAS). National Science and Technology Council, NT\$2,760,000,
01/08/2023–31/07/2025

Principal investigator General Welfare State of Exotic Companion Small Mammals and the Prioritized Welfare Issues According to Taiwanese Exotic Pet Veterinarians.
College of Veterinary Medicine, National Chung Hsing University, NT\$100,000,
01/07/2023–30/06/2024

Co-investigator Formulating the Taipei City Husbandry Standards for Rodents, Rabbits, and Birds.
Taipei City Animal Protection Office, NT\$150,000. 01/02–31/09/2023

Sub-investigator StrayLOHAS: Stray Animals Reduction and Fulfilment of Welfare Project.
Ministry of Education, NT\$20,900,000, 01/01/2023–31/12/2024

Principal investigator Development of the Companion Animal Bereavement Scale and the Risk Factors for High CABS Scores. College of Veterinary Medicine, National Chung Hsing University, NT\$300,000, 10/01/2022–09/31/2024

Honors

Mar 2023 Top 100 Scientific Reports papers published in 2022. Scientific Reports.
Mar 2023 Recipient of 2023 RGU International Guest Researcher Program.
Rakuno Gakuen University, Japan.
Oct 2019 GeoVet 2019 Travel Award. GeoVet Committee.

May 2018	<u>Doctorate awarded without emendation</u> . Sydney, Australia.
Jan 2016	<u>2015 RSPCA Australia Alan White Scholarship for Animal Welfare</u> . RSPCA Australia, Australia.
Dec 2013	<u>Taiwanese Government Sponsorship for Overseas Study (3-year scholarship)</u> . Taiwanese Government, Taiwan
Nov 2013	<u>2014 Endeavour Postgraduate Scholarship (4-year scholarship)</u> . Australian Government, Australia
